SUCCESS

Whatever your mind can conceive and believe, it will achieve. Dream great dreams and make them come true. Do it now. You are unique. In all the history of the world there was never anyone else exactly like you, and in all the infinity to come there will never be another you. Never affirm self-limitations. What you believe yourself to be, you are. To accomplish great things, you must not only act, but also dream, not only plan, but also believe. If you have built castles in the air, your work need not be lost - put foundations under them. Yes you can. Believing is magic. You can always better your best. You don't know what you can do until you try. Nothing will come of nothing. If you don't go out on a limb, you will never get the fruit. There is no failure except in not trying. Crazy goals produce hazy results. Clearly define your goals. Write them down, make a plan for achieving them, set a deadline, visualize the results and go after them. Just don't look back unless you want to go that way. Defeat may test you; it need not stop you. If at first you don't succeed, try another way. For every obstacle there is a solution. Nothing in the world can take the place of persistence. The greatest mistake is giving up. Wishing will not bring success, but planning, persistence and a burning desire will. There is a good mind within you from which you can extract all the necessary ingredients. Success is an attitude. Get yours right. It is astonishing how short a time it takes for very wonderful things to happen. **NOW, SHOW US THE COLORS OF YOUR RAINBOW!**

Homecoming

- 1st place - Juniors
- 2nd place - Seniors
- 3rd place - Sophomores
- 4th place - Freshman

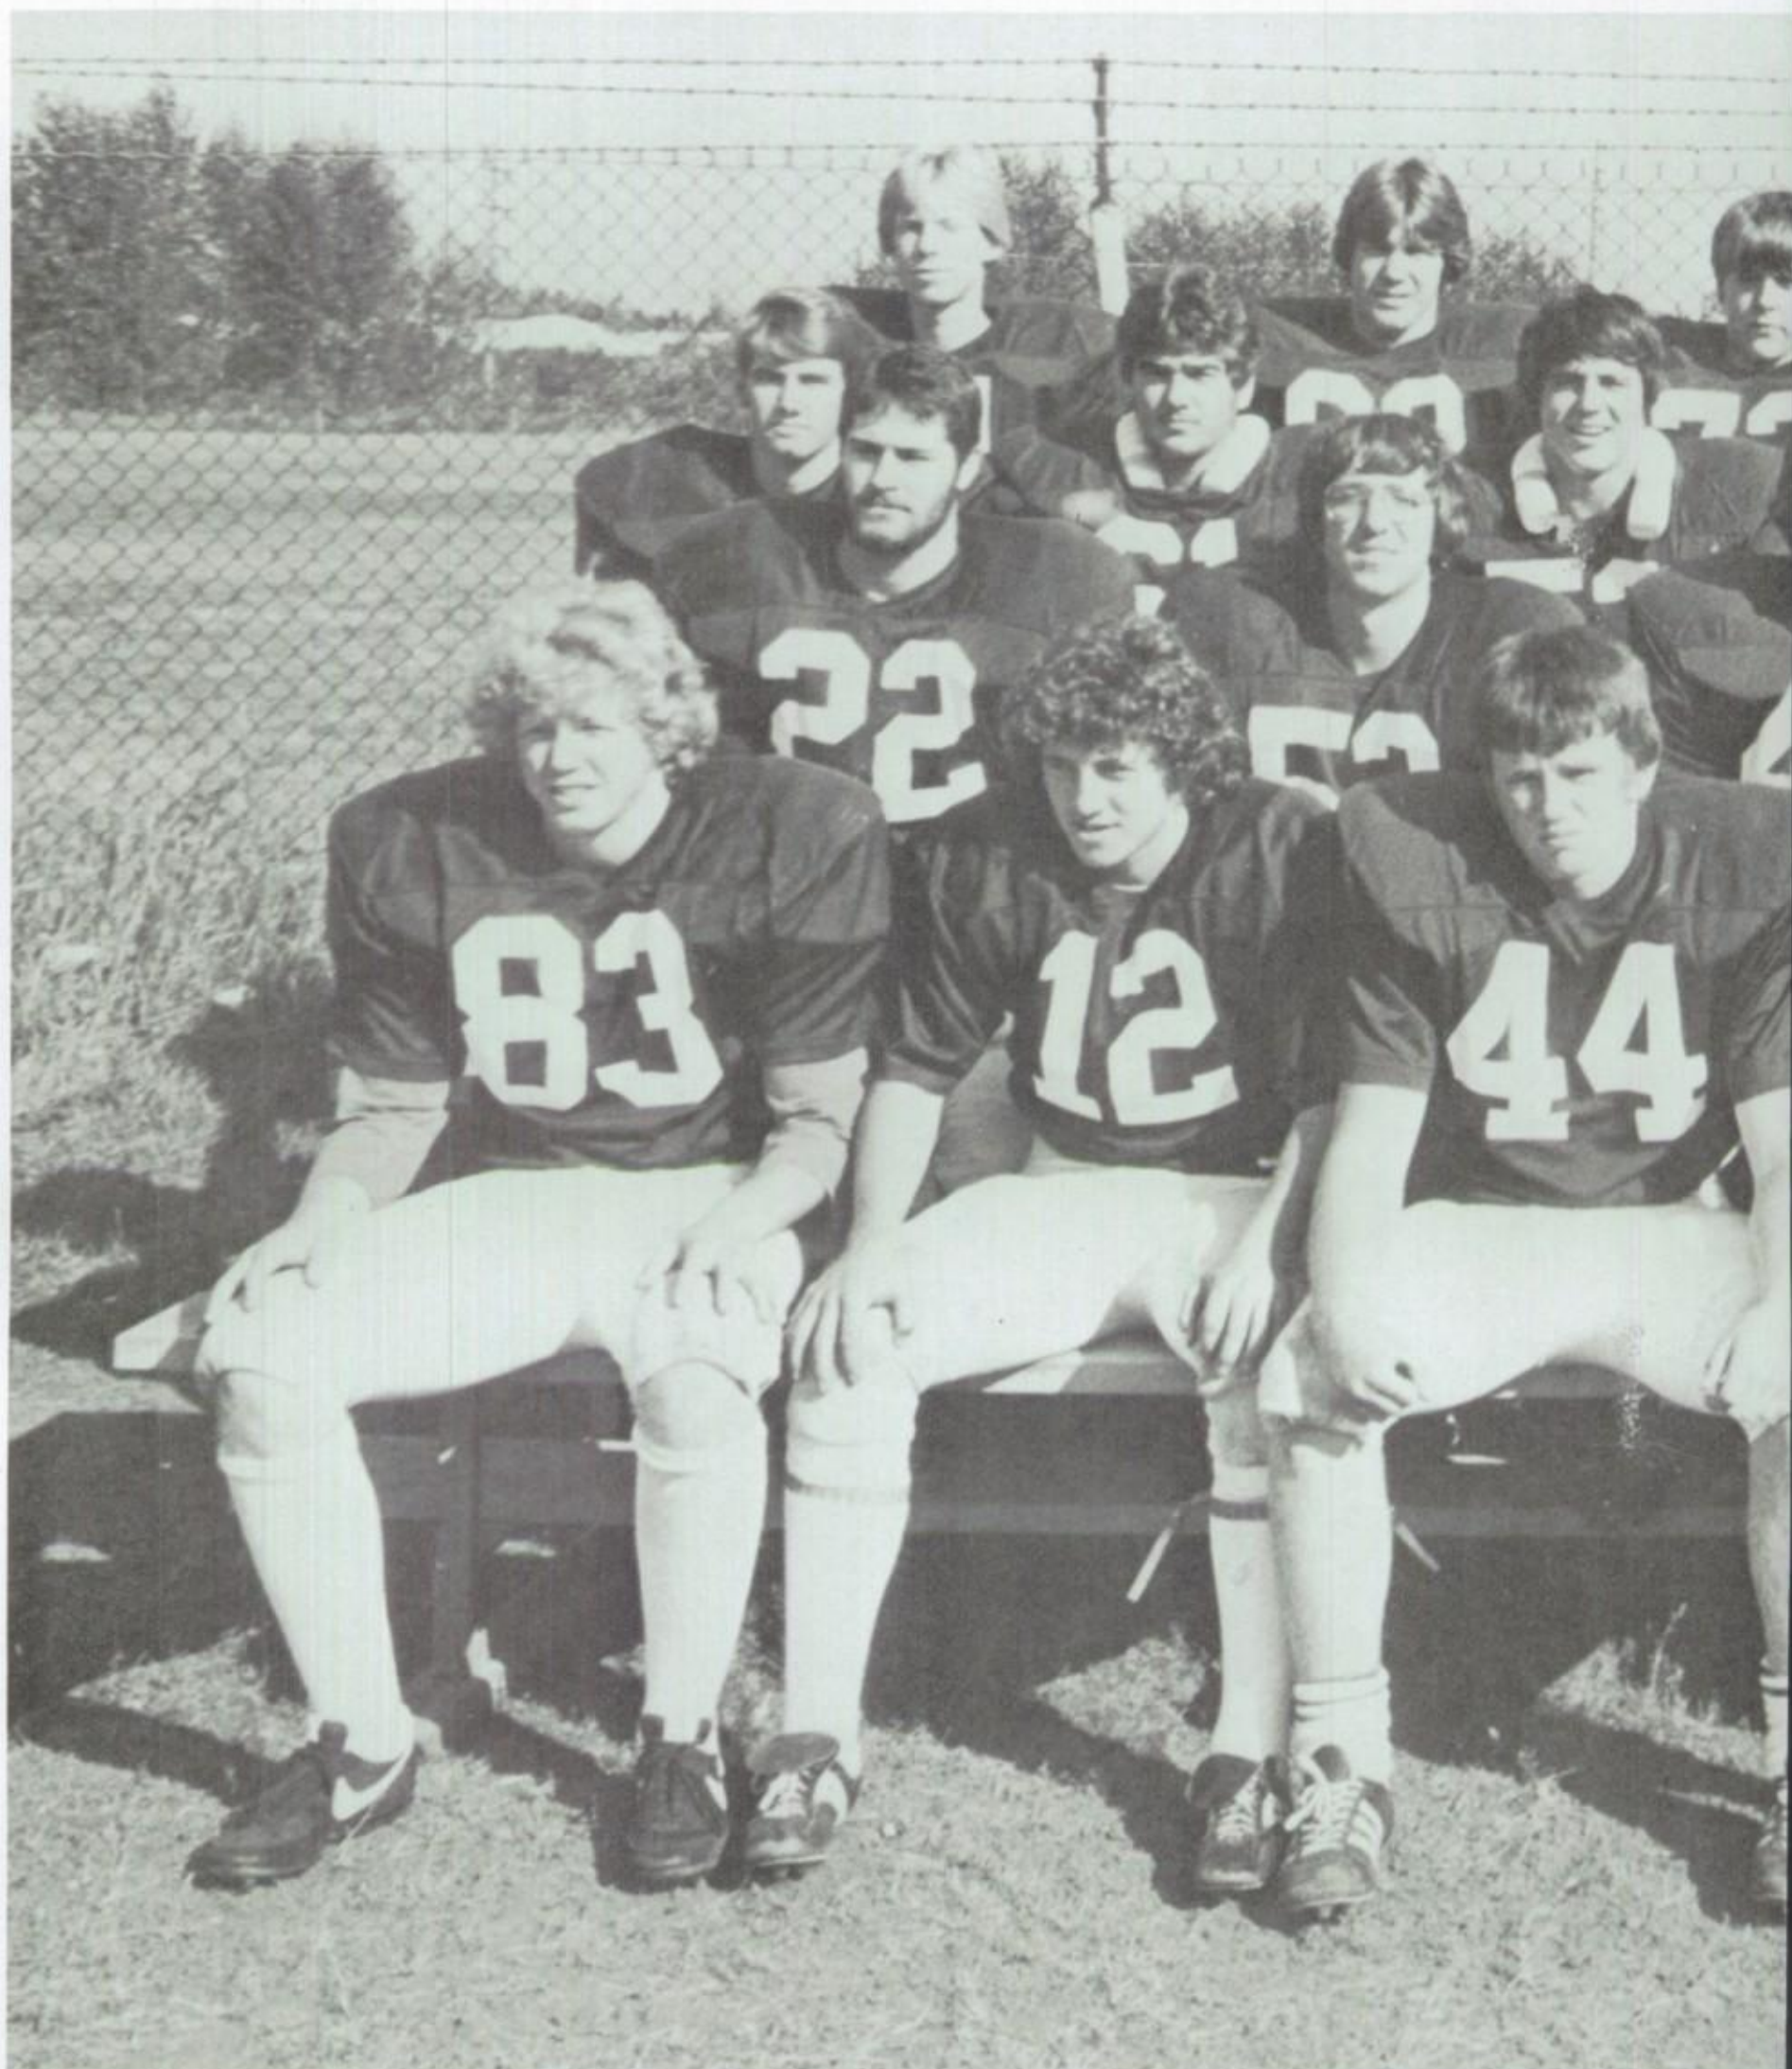

The Homecoming game this year, played against Marquette, ended the week's activity during which the Seniors earned enough points to win. Juniors won the float competition and the seniors placed second in a parade that featured numerous floats and trucks, along with the Sault High and Junior High bands. The naming of Lindsay LaJoie as Homecoming queen was the crowning touch of this year's festivities.

The Sault High J.V. football team ended its season with a record of 2 wins and 6 defeats. Victories came over Newberry and Onaway.

The Onaway victory was especially gratifying since they had beaten the Sault J.V.'s earlier in the year. That victory showed vast improvement over the first meeting between the two teams and raised hopes for upcoming seasons for the entire football program.

Sixteen of the J.V. team members participated with the Varsity for the last game of the season and many of them played in the game thus preparing them for next seasons step up to the varsity.

The J.V. coaching staff is excited about next year due to the fact that the Freshmen team had 32 participants out for football this year. Hopefully all of those 32 and more will come out for football next year as a new shedule will make the program more competitive.

This seven team conference is made up of five schools including Petoskey, Cheboygan, Gaylord, Charlevoix, Boyne City, and two additional schools from the U.P. St. Ignace and Sault Ste. Marie. The Sault team played a twelve match schedule with the high point of the schedule being the conference meet held at Cheboygan. Sault High placed third with Charlevoix being conference champs. Sam Bailey and Dennis Mickle were co most valuable, while Dave Guillard, our only senior, considered to be the most improved golfer.

The Sault High hockey team has completed its 10th season of competition. In that time the team has not had a losing season. They have made three appearances in the State Tournament going to the finals twice and the semi-finals last season.

This years squad is blessed with some very good skaters and has good depth. They have competed against and beaten some of the top teams in the state. One of the highlights of the season, was the championship of the Lions Invitational Tournament where we beat Detroit Country Day and Sudbury Lo-Ellen Park High School. It was our third Lions Invitational Championship.

The potential is here to have another good season and we hope to make another appearance in the State Tournament.

A blow to the team was the loss of Chris Cahill who suffered a fractured ankle. He was captain, team leader and will be missed by all.

The Varsity Rifle team has been in continuous operation since 1972. It has been steadily improving over the past couple of years and is now the best high school team in Michigan and is ranked as one of the top 15 high school teams nationally.

The Varsity team shoots in the Twin Cities International Rifle League. This is a league composed primarily of adult teams from the twin Saults. In addition to the local league and tournaments at L.S.S.C. and Sault High, the team makes about five major trips a year. These trips will involve matches in Tennessee, Ohio, Wisconsin, and Indiana and will involve shooting against national and olympic champions. This is very stiff competition but it is also the quality of shooter that the team is trying to develop and the shooters on the team are showing the results of this effort.

Since 1925 the Keynote has been promoting the idea that "Your right to know in the key to all of your liberties." Last year, however, not too many people wanted "to know," and the Keynote took a year's rest.

While the Keynote is celebrating its 56th anniversary, there have actually been 77 years

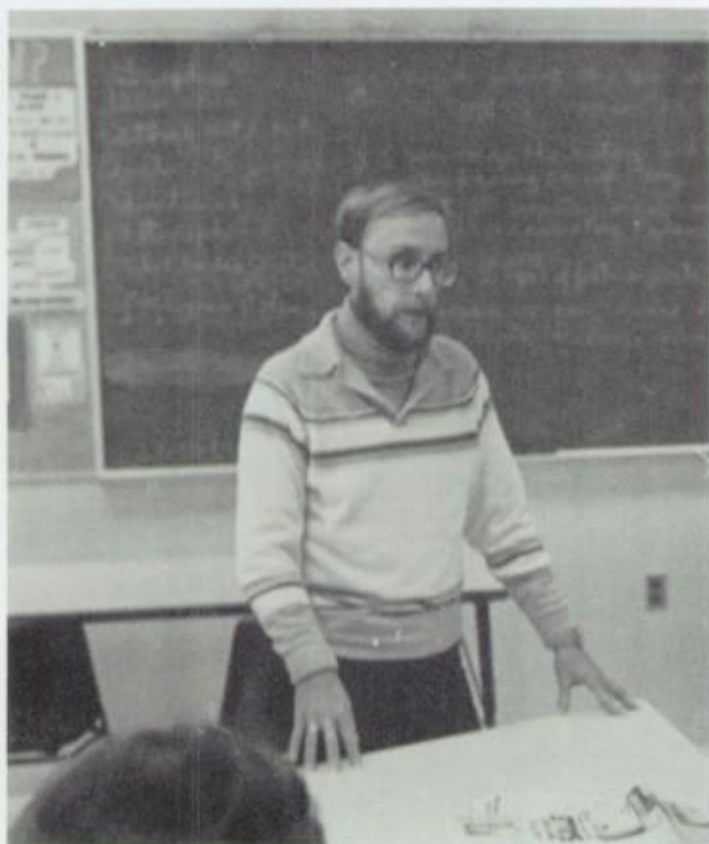

of publications at Sault High. In 1904-05, there was an annual published at Central High School known as the Bema. It was only published once, but it began a long history of publications at Sault High. The Keynote began in 1925 when a contest was held to choose the name of the school

paper. The Keynote won; and the second choice was The Arrowhead. The Keynote was published every year from that time up to 1980-81. After that rest, the Keynote is ready to come back and inform anyone willing to listen that, "Your right to know is the key to all of your liberties."

1982

This year Northern Light began with a virtually untrained staff who didn't know anything about constructing a yearbook. With the help of Joe Wallace, we were able to go from chaos to organization. The staff held a candy cane sale before Christmas to raise money and for once the yearbook may run in the black. Because of this year's success it looks like there will be another yearbook next year with a big carry over of staff. This yearbook was the result of many hours of hard work and the staff really hopes the students will enjoy it for many years.

The Sault Area FFA has been very busy throughout the entire year. At the beginning of the year, the Sault FFA sponsored a spook house at one of the elementary school carnivals which turned out very well. They have been asked to do it again next year. The Sault FFA has also produced a Food For America program which they presented to a number of different grade schools. This program included telling the children where there food is grown and how it is processed. Some times the Sault FFA even brought animals into the class room to give the children a better idea of animals and how they live, grow, and produce food.

Several of the Sault FFA students attended the leadership training conference in Marquette.

To earn money for the FFA, the students hold an annual FFA Citrus Fruit Sale. The money they earn goes toward purchasing needed items for the FFA. The money also helps pay for a trip to Lansing to attend the State Convention. State contest competition and individual state awards are presented to members at the convention.

The Sault FFA students are busy preparing for the district leadership contest which will be held on February 11 at Rudyard. There are 18 students participating in this years contest.

International Thespian Troupe 141 is an organization of students who are involved in dramatics at Sault Area High School. Students are invited to join the troupe after participating in at least two drama activities. Membership in Thespians granted at an induction ceremony held every spring. Initiates to the troupe perform for the entertainment of the members and are then asked to take a pledge of dedication to the performing arts and support for drama activities.

Membership in this organization is world wide and there are 1,000,000 members. Sault Ste. Marie Troupe 141 is one of the oldest troupes in existence, being founded in 1929. Members are inducted for life. Troupe 141 is proud to serve this school and community.

This year groups of these students went to the Knife and Fork Restaurant each Monday to dine with their sponsors, all members of Rotary International. There they learned about the group, which consists of top professional men in the Sault Ste. Marie area, who are concerned with civic minded projects. The men raise money for charity, hosted exchange student Maria Wennerholm, and gave a dinner for handicapped children before Christmas, which was highlighted by a visit from Santa Claus. Besides helping others, the group helps achieve cooperation through friendship among our area's businessmen.

The Junior Rotarians wish to thank the club for the opportunity to attend the group's meetings and wish to praise them for their activities.

EXCHANGE STUDENTS

Elmar Herger

What a change: from the Swiss Alps, Jodeling Farmers and the good old Swiss cheese to McDonald's, Big Macs, and Minneapolis Woods. I left Steinhausen, Switzerland, two brothers, and my parents, last August to experience the American Way of Life. Indeed, the Swiss and the American lifestyles are different. We don't have drive-in banks or drive-in movies, but J.R. Ewing and REO Speedwagon have made it there.

At home, when I'm not hiking or skiing in the mountains, I go to school for 37 hours a week, including Saturdays, which is unusual because I'm attending a private school. I might have forgotten a lot of Latin, Biology, Geography, and Math I took at home, but I've learned how to cook delicious American food from my host for the year and great advisor, Joe

Wallace, and his family.

I got used to the American Way of Life very quickly. During my stay I have drunk over 300 milkshakes and eaten uncountable ham burgers, which have depleted my entire Swiss bank account.

I have become quite a Devil's fan, a Detroit Lion's lover, and a Laker supporter and when I return to my home country, I'm going to remember this year forever.

Thank you for everything you've done for me.

Marie Wennerholm

The 21st of August 1981, I left my safe home in southern Sweden. Waving to my parents and my brother at the airport, I didn't know what I was getting myself into. But I'm glad I took the chance.

Michigan is pretty much like Sweden, except for the COLD winter.

The Soo is a couple of

sizes smaller than my hometown Växjö is. But it is a big experience to come here and meet the people, see how you live, and see your country.

The school is very different. It's more fun and a LOT easier. Five subjects isn't much if you are used to fifteen

My family got pretty much bigger when I came over here: 3 new mothers, 3 new fathers, and 9 new sisters and brothers. Well well, what do you know! I stayed with three families here: the Bruces, the Schmeltzers, and the Godbys - all super families!

When I don't have school work I like to play volleyball, dance, do some jogging or anything else that's fun.

Thanks to all of you making this year one of the best in my life.

See you when you come to Sweden!

Raed-Peter Nasser

Hi! I'm Raed-Peter Nasser and I came to the Soo from Germany on August 25th, 1981. In Germany I'm living in Moenchengladbach, a city of 260,000 people close to the Dutch border

The change from Germany to the U.S. was great. Both the people and the weather are different. If I hadn't experienced it I would never have believed that there could be so much snow and coldness. During the winter my main occupations in the Soo were freezing and snow-shoveling.

My first impression of the U.S. was that all the houses were made of wood. In Germany the houses are made out of brick. One thing that I appreciated here was the use of a sixteen year old car, although it cost me a lot of money during lunchtime.

School at Sault High was much easier than in Germany but there were many more school activities. In Germany we lack pep assemblies, home-coming, cheerleaders, and formal dances. I'm a great soccer fan, the major sport of Germany, but at the beginning of the football season I changed rapidly to football.

My exchange year in the U.S. is an experience that I will never forget. The Americans are very friendly to me, especially my host family the Hodders. I want to thank everybody for this wonderful year.

Eduardo Rubino

I was born in April 16, 1964 in Sao Paulo, Brazil; but actually I'm living in Brasilia.

I feel that there aren't many differences between the Soo and Brasilia except for the weather. It is much colder here than I expected (We never get snow in Brazil).

What I really should say is that I'm enjoying it here a lot. I like the people here and I like the winter sports (because I've never had them before).

BUILDING TRADES HOUSE

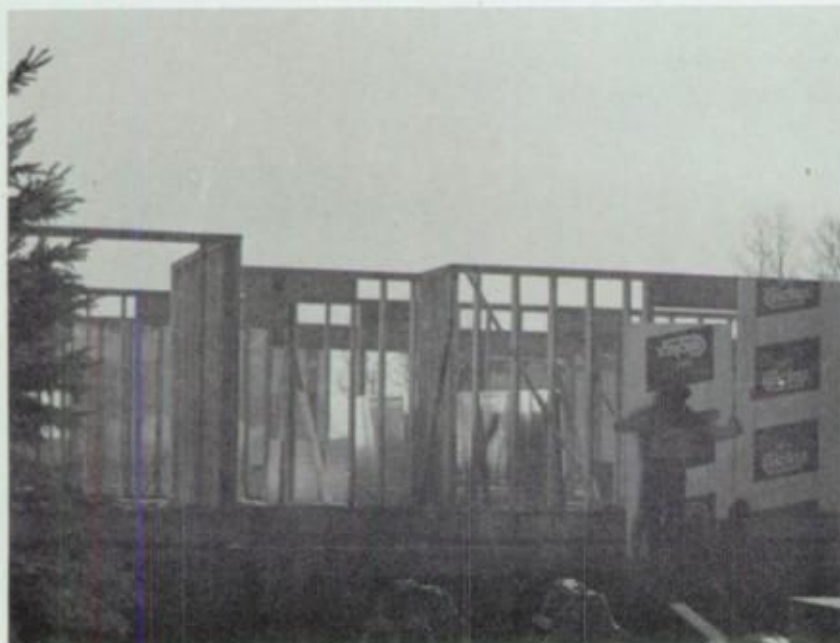

For the first time, the Sault Area Skill Center, drew up contracts on a house that is to be built by the Building Trades class and decorated by eight students in second year Interior Decorating. This is always a very good learning experience for the students. What makes this year so special is the students are working with a client, (the Ulrich's). The house has been built on Gypsy Cove and the students are very proud of it.

This year has been a very special year for the staff and myself. We started out as a totally new staff with no experience what so ever. Just the very valuable help of Joe Wallace, our advisor. As editor I am very proud of our book and everything that we have done with it. I feel we have all put 100% into the book & given it our best ideas.

I was extremley happy to be able to present the school with the traditional all school yearbook once again.

Working everyday after school and sometimes on our own time, it seemed like all the work would never end, but it did and all too soon.

I would like to give special thanks to Mr. Wallace, for without his help this book would not have been possible. To Mr. Askwith and his Printing Class for setting the type for the yearbook and also to Mr. Keistwetter who made a deal with us for our beautiful end sheets.

But most of all I would like to say thank you to staff for putting so much time into the book and always pulling through when they were needed.

I've really enjoyed your
goobiness all year long.
I hope you never change
and that you and Brian
are always happy and
filled with love.

Demyce,
You will always be my best friend. I am going to miss you alot when we graduate, because we are going to be going our own ways. I had so much fun doing all the crazy things we have done together. One that takes the cake is the trip we took. I sure would like to go somewhere again some day. You are one person that I have always been able to talk to and you know I will always be there for you. I know all the decisions you make in life will be all the right ones for you. You have always picked the right person and the right people and you always have cared so much and I think you are one heck of a sweetheart. It is so hard to say bye to your friends. I always want you to keep in touch with me, no matter if you are in Texas and I am a thousands miles away in Puerto Rico. I also will never forget all the time we spent together in the summer horse back riding. I miss that so much. I hope that everything turns out for you and Bri. I know you both love each other alot and he is very good to you and that make me feel good inside too. You take care of yourself. Maybe someday we will make it to Puerto Rico like we planned. I will always remember how we tried so hard at track and many other things and I know you will keep on trying for everything you. You are one person I always look up to Demyce. I sure will miss you.
Best friends always
Love Kellen

Demyce,
You are a super
sweet person, that
is very fun to be
around. Good luck
with Brian and in
everything you do.
Love
Kelly

Demyce,
You are the craziest,
prettiest, and funniest
person I have ever met.
You are a good friend and always
will be. We have many good
times to look back on and can
treasure them forever. It is a
special kind of friendship that is
not shared by just the two of us
but the four of us. We can look
forward to many more crazy times
in the years to come. I'm glad
that we have got to be good friends.
We do have our differences, but
everyone does. After all, not every
friendship is perfect but they aren't
supposed to be. What fun would it
be if we didn't have anything to work
at. Well, we will have a great senior
party and we'll have a few together.
It has been a great year and you
helped make it that way. Take
care of yourself Demyce, and keep in
touch always. I wish you and Bri
the very best on your venture to
Texas. I hope all your hopes and
dreams come true and all the happiness
in the world to you both. I'm gonna
miss you's both a lot. Do take
care of yourself & Brian. God Bless
and Good Luck!.....

Love Ya Lots
Terri

Denyce,

You are a very special person to me. You are one in a million, well even more than that. I am glad that you are such a friend. I would say that we've had a lot of good + bad times but they're all been good. You know it sure is going to be sad when we graduate cause you'll be moving. I sure am going to miss you. You have shown me things and made me realize a lot of things and I sure thank you for it. I have never in my life met a happy person than you. You sure can cheer a person up. I hope that we keep in touch cause you'll sure miss me if you don't. Denyce I sure wish the best in the world for you because you sure deserve the best. I hope you get a lot out of life and Brian too. (ha-ha) You + Brian will make it good. Please always think of all the good times we had. Because after you go away that's all there will be is memories until I see you again. Remember I'm in your wedding!! (j.k) Well I sure am getting lamerd writing this. I sure do enjoy you being around and being so close to you. I'll always think of you and the beautiful person you are! Please never forget me.

Love ya lots,
JLW

Hey Red,
We've had so many
good times together.
I would never forget
any of them. A long
time ago we didn't
get along, but that's
all over with forever.
Denise, I'm glad we've
become good friends and
I'm glad that I got
to go through High School
with you. You have
so much going for you.
Good Luck in all you
